NHRSA NEWS:

NHRSA (Namibia Hunting Rifle Shooting Association) hosted the International Test Shoot between the teams of Namibia and South Africa on 20 and 21 October in the riverbeds at Lake Oanob Resort near Rehoboth. Each country was represented by 3 teams - a National team, a President's team and, for the first time, a Ladies Team. The team-shoot took place on the 20th and on the 21st it was an open day competition, 104 entries were received! The men's teams and their managers started the day after a briefing of the range and introduction to the range officers. The ladies teams only started at 12:00, the youngest Ladies team member had to be flown in from Okahandja, because NHRSA is proud to be known as a family sport and she had to finish her Grade 12 exams. The wind played games with our aim, the Namibian sun was hot and the range was interestingly challenging. On the 21st the teams were broken up and could shoot in any squad they prefer, the individual scores were added together with the team score of the previous day to get a grand total.

During the prize giving ceremony the individual winners and the winning teams were announced:

Penkoppe: Xander van Rooyen – 1st; Joubert Engelbrecht – 2nd; Christo van Rooyen – 3rd

Juniors: Kean Redelinghuys – 1st; Alex Opperman – 2nd; Gideon Agenbag – 3rd

Men: S van Wyk (SA) – 1st; Worsie Marais – 2nd; J Nezar (SA) – 3rd

Namibian Gold Class: Worsie Marais – 1st; Johan Engelbrecht – 2nd; Nickie Marais – 3rd

Namibian Silver Class: Johan Wessels – 1st; Ferdie Schnaitmann – 2nd; Willie Langford – 3rd

Namibian Bronze Class: Gertjan Coetzee – 1st; Xander van Rooyen – 2nd; Ian Redelinghuys – 3rd
